

INSPIRING CANADIANS THROUGH THE ARTS

Every child is an artist. The problem is how to remain an artist once he grows up.

- Picasso

To create one's own world in any of the arts takes courage.

- Georgia O'Keefe

Whether every child remains actively engaged in the arts when they do grow up, early childhood exposure to the arts has a remarkable effect. Encouragement to look at the world in new ways, opportunities to create and play in all the arts and freedom and space to tell their own stories. These are vital elements of a Ross Creek experience for children.

\$425 gives one child an overnight camp at SummerArts.
\$500 brings a class for a full day field trip to Ross Creek.
\$1000 pays for a Family Art Day at Ross Creek for the whole community or an Academy student for 2 weeks.

Professional artistry is an important element of creating a nation: a community where voices in theatre, dance, music and visual arts make sense of our world and inspire us to develop our own voices. You can help support development of new work from both emerging and established artists.

\$300 Provides retreat space for an artist for 1 week.
\$1000 Provides a small performance company with studios and accommodation for 1 week.
We are pleased to dedicate your funds to whichever aspect of our work you feel most passionate about.
